If you are driving from the airport in Kahului to the Maui Prince Hotel, follow the signs to Kihei and Wailea, taking Route 350 south. About 8 miles (13 km) from the airport you will come to an intersection near Kihei. Take Route 31 (Piilani Highway) for the shortest route to the Maui Prince Hotel. Or, if you wish to purchase snacks or beverages at a supermarket, take South Kihei Rd., which runs parallel to Route 31 through Kihei. Both roads lead to Wailea, where you continue for another 3 miles (5 km) south to the Maui Prince Hotel. The hotel is located on the right, past some other fancy hotels, including a big white one that looks a mosque. If the road becomes unpaved, you have gone too far.
